

AUTO SUECO NAMIBIA

Walvis Bay facilities

Windhoek facilities

Keetmanshoop facilities

Auto Sueco Namibia started its activity in 2004, and has its headquarters in the country's capital Windhoek, having a workshop also in Walvis Bay.

The company markets Volvo Trucks and Buses, also providing after sales service. The company also exclusively

represents UD Trucks brand in Namibia, importing and providing after sales service to its range of trucks.

Since 2021, Auto Sueco Namibia also represents Vesper Energy Solutions, an own gensets brand that represents and sell unit powers.
