Fun Facts

Octopuses have three hearts!

Two hearts pump blood to the gills, while the third pumps it around the body. Now that's a lot of heart!

Flamingos get pink from their food!

Pigments in the algae and tiny animals they eat give flamingos their pink colour. Talk about becoming what you eat!

A day on Venus outlasts its year!

Venus takes about 243 Earth days to rotate once, but only 225 to orbit the Sun. One very long Monday!

Fact references: Natural History Museum • San Diego Zoo • NASA

A little curiosity. A little laughter.

PV to Heat Waterheating System

Aquality
Plumbing & Renovations

PV Characteristics

- Maximum input PV power: 4000W
- PV Input Current: <= 15Adc
- PV Input Voltage: 120-350Vdc
- PV to Heat Output Voltage: 40-230Vrms Modulated Sine We
- PV to Heat Output Current: 15 Aac
- Connection MC4 Solar Connectors
- Install PV Isolator
  (DC circuit Breaker Double Pole)

AC Characteristics

- AC Heating Rating: 4000W
- AC Rated Voltage: 230Vac
- AC Working Voltage Range:85-250Vac
- AC Rated Current: 20A

Geyser Element

- Power: 1500W - 4000W
- Element Resistance: 12Ω - 27 Ω
- Connection at PV to Heat MPPT: 3 x 4mm2 Screw Terminals (Live-Neutral-Earth)
- Connection at Element Conventional 2 terminal (Live - Neutral - Earth) or plug in

Thermostat

- Geyserwise Thermostat

WeCare Foundation

Where Everyone Matters

Registered Section 21 NGO # 21/2019/2996

Project Senior Park

Your Support Matters, Every Contribution Counts

Dear Possible Donor

We are reaching out to you on behalf of Senior Park, a state-owned selfcare senior community. The residents of Senior Park are expected to pay their rent, buy prepaid electricity, pay their water consumption, plus all their daily food, toiletries & cleaning supplies. All with a mere N$1600 (State pension) per month.

As you may know, many of our seniors have spent their lives building and nurturing our communities. Now, it is our turn to give back and ensure that they spend their golden years in comfort, with the care and dignity they deserve.

How You Can Help

To continue offering assistance with basic needs at Senior Park, we rely on the generosity of people like you. We are currently seeking donations to assist with weekly meals for 150 elderly, toiletpaper, toiletries & cleaning supplies. Every contribution, no matter the size, makes a significant difference in the lives of our residents.

Our current goal is to prepare a fully cooked meal plus dessert for every resident on Fridays, and serve each resident with cleaning supplies, toiletries and toilet paper once every 2 months.

Ways to Donate

Bank Transfer: WeCare Foundation, FNB Namibia, Branch Code 282-672, Account Number 642-775-588-04.

In-Kind Donations: If you would like to donate specific items, such as food, toiletries or cleaning supplies.

Thank you for considering this request
With heartfelt thanks

Driven by HUMAN diligence, not AI algorithms daring to be authentic

THE POWER OF EMAIL ADVERTISING:

» Direct reach: Straight to inboxes, beyond social feed algorithms and the 'noise'.

» One-click action: Turns interest into website visits, direct calls or emails.

» Stay top of mind: Build familiarity with regular exposure.

» Easy sharing: Click forward, choose contacts. click send.

» Cost-effective reach: One campaign. Many subscribers.

» Builds loyalty: Stay connected. Encourages repeat business with trusted suppliers and customers.

The email advertising spesialists for the past 10 years!
